## COMMENTS BY FIELDMEN

Imp. Gartly Lansdowne is the most typical type stock bull I have ever used or handled in my life.

(Signed) WM. HARTNETT,  
Importer and Exporter.

I consider imp. Gartly Lansdowns one of the greatest stock bulls in the U. S. today. His calves are hard to improve upon, and the females mated to him in this sale are a rare lot. There are few better bred offerings than this. Mr. Marshall has been strong to get good bulls at top of pedigrees. I have never seen a better bunch of calves by an imported bull than those selling by Gartly Lansdowne.

(Signed) E. W. DAVIS,  
Of The Shorthorn World.

From a standpoint of individual merit and fashionable pedigree the offering of R. N. Marshall, Ollie, Iowa, is one of the most attractive to be sold this sale season. Most of the calves are sired by and the cows bred to imp. Gartly Lansdowne, one of the most valuable if not the most valuable imported bulls doing service in America at the present time. The calves by imp. Gartly Lansdowne are decidedly attractive, possessing good heads and a general makeup that is so much desired. The character of the entire offering measures up to such a high standard that it will bear inspection by the most critical. Most of the cows have heifer calves at foot, which will interest those in search of the most valuable thing to buy as a good investment. We can strongly recommend this offering to anyone concerned.

(Signed) CARLOS C. PALMER,  
Iowa Homestead.

Everybody interested in buying top Shorthorns will be pleased with the first public sale offering of R. N. Marshall, Ollie, Iowa. Individually and in pedigree the consignment excels and when it is considered that many of these superb females are selling with calves at foot or are in calf to imp. Gartly Lansdowne it would seem that there is nothing further to be said in favor of their introduction into our best herds. Gartly Lansdowne is a good bull, one of the really good bulls that have left Britain in recent years and who promises a great career as a sire. The usefulness of these females will also appeal and I do not hesitate to recommend them to every buyer who is seeking the best the market affords.

(Signed) FRANCIS T. MARTIN,  
Breeder's Gazette.

# A Welcome To Breeders

---

**B**REEDERS are invited to attend the first sale of R. N. Marshall, a young man who began his chosen life work in such a manner, as regards the individuality and blood lines of his foundation stock selected, that it will never be necessary to stop, back up and start all over again. His first purchases were made in the same great circuit in which he now takes a position with his first sale. With the best information and high ideals, his foundation purchases were made with reference only to getting the most superior breeding, conformation and reproductive ability, calculated to insure as good or better produce. The choice of imp. Gartley Lansdowne as chief herd sire, was a most wise and fortunate one. So prepotent is he, that his outstanding breed character is stamped indelibly on his offspring. So marked is this, that even a novice, if he could only see the heads of his calves, would recognize them as being worthy sons and daughters of a notable sire. This will be the first opportunity to secure the get of one of the grandest breeding bulls ever imported by Wm. Hartnett.

As a perusal of the catalog will show, the twenty cows and heifers with calves at foot—mostly heifer calves—by this already famous bull, are of such top notch blood lines as to guarantee the continuing high quality of their produce. In the estimation of Mr. Marshall, as with all breeders who have won renown, the head of an animal is a true index of its worth. The females were all chosen with this in mind, and if any of them are short of the ideal, the blood of imp. Gartley Lansdowne adds the touch of superiority that would attract comment in any company.

DAVID C. PATTON,

Mgr. Shorthorn World.

For reference only.

Imported Gartly Lansdowne has proven one of the greatest stock bulls of his day. His dam, Mary Anne of Lancaster 46th, is also the dam of Gartly Landseer, the champion bull at the Cupar Highland Show. She is also the granddam of Gartly Lancer, grand champion of the 1919 English Royal Show, that has the record as the highest priced bull ever sold in Britain, having been sold at Penrith to Mr. A. J. Marshall for 4,750 guineas for shipment to the Argentines.

Proud Wanderer 122249, sire of Gartly Lansdowne, sold for export to the Argentines for 1,000 guineas. His sire, Proud Ator, was the 2nd prize bull at the Highland Society's Show and his dam was by the noted bull, Pride of Avon, and was a full sister to a bull named Avondale that was second at the English Royal and was sold for shipment to the Argentines for 3,000 guineas. Thus it will be seen that Gartly Lansdowne is closely related to the best that has been produced in Britain.
